Slide 1

Academic Search
A look at Academic Search
Main Edition using the EBSCOhost Research Interface.

This project is made possible by a grant from the Institute of Museum and Library Services as administered by the Pennsylvania Department of Education through the Office of Commonwealth Libraries, and the Commonwealth of Pennsylvania, Tom Wolf, Governor. © 2015 Hosted by HSLC

Slide 2

What is Academic Search?

• Comprehensive database for multidisciplinary research.

• Includes thousands of journals in a diverse range of subject areas.

• Content is updated daily

Slide 3

Contents of Academic Search

• Indexing and Abstracting for 1,917 journals and magazines
  – 1,312 of these are peer-reviewed

• Full-text for 1,863 journals and magazines
  – 1,271 of these are peer-reviewed

<td>![Image of page options interface]</td>
</tr>
</tbody>
</table>

- **Result Format:** Click the check box to reformat.
  - Image QuickView: Select whether or not to display thumbnails of images in your results list.
  - Results per page: Select the number of results per page you would like displayed.
  - Page Layout: Select your desired column layout for the result list.
Slide 10

Share Menu

To use the Share menu:
- Add to folder: Add all displayed articles to the folder or add the search to the folder as a persistent link to a search.
- Create an alert: Create a search alert e-mail or an RSS Feed right from the Result List, even if you are not signed in.
- Use Permalink: Highlight the link text and copy using your browser’s copy function. You can immediatly paste the link into a web site, document or e-mail. You can also store links to your EBSCOhost pages for social bookmarking sites such as digg, del.icio.us, Technorati, MyMinds, etc.
- Export Results: If enabled by your administrator, click to email a link to download exported results.
